Dear Friends,

Differences! ~ What does it matter? ~ Time is the Essence!

Chart of 2014-2015: four blood-red moons and two solar eclipses – WHY? What does all of this mean? Perhaps Luke 21:28 has the answer... ‘Now when these things begin to occur, look up and lift up your heads, because your redemption (deliverance) is drawing near’. (Amp.)

"You have the religious year beginning with the total solar eclipse on Adar 29/Nisan 1 (March 20, 2015); two weeks later, a total lunar eclipse on Passover (April 4, 2015); then the civil year beginning with the solar eclipse; followed two weeks later by another total blood-red moon on the Feast of Succoth — all in 2015."

(Pastor Mark Biltz of El Shaddai Ministries in Puyallup, Washington.)

I thought I would start with this diagramme of the coming Shemittah Year!

*I have been asking the Lord what He wanted for me to write you, in this month's letter. I have a whole bunch of things I would like to share with you, and mentor you with, and from; and just bless you with, in particular. However, none of those things matter, in the moment – the **HERE and NOW!** Why...you may well ask? **Because TIME is the ESSENCE!** Time, as we know it, is **RUNNING OUT!** God lives outside of **TIME**, as we know it. Our "time" is just a little slice of Human History, which He sliced out of His infinity, and called **TIME**, for the sake of humankind, and what He wanted for us to achieve with, and for Him, inside of that slice, of **TIME!** **It had a distinct BEGINNING...and it will have a very distinct END.** And for all intents and purposes...**the END is VERY NIGH!***

*We have not always had such a great track record of "**studying to show ourselves approved unto God**"...and consequently, our knowledge has been somewhat incapacitated. Coupled with the fact that, '**end time prophecy**', is distinctly marked with the promise that '**KNOWLEGE would INCREASE**'...we are somewhat behind the eight ball, so to speak.*

Dan 12:4 But you, O Daniel, shut up the words and seal the Book until the time of the end. [Then] many shall run to and fro and search anxiously [through the Book], and knowledge [of God's purposes as revealed by His prophets] shall be increased and become great. (Amp).

Following is a quote from the teachings of Billye Brim: -- I will start here, (with the part), where she quotes from a 'Prophetic word' given by brother Kenneth E Hagin, some time back:

"The end of the age is coming upon this generation. The powers of darkness, the forces of evil are rampant as never before. And they will be increased in intensity and velocity. And even many Christians will see and look upon these things and say, "Oh there's no use" ... But thus says the Lord, "In this day, I am searching the Body of Christ to enlist soldiers. ...For you see at this time that God has... Things that will happen in the spirit realm, which will be manifest in the seen realm; Things beyond the comprehension of most that stand here; At the same time, the enemy is making his move. Darkness will loom up like a mountain in front of you. The devil will throw up every kind of roadblock in front of you. That's the reason you need to be alerted. ...I mean – see to it that you keep yourself uncontaminated from the world and worldly thinking. See to it that you keep yourself clean and pure in every way from every evil and unclean thought, which would come your way. See to it that you walk carefully before the Lord -- not to be in bondage, but be free; knowing that the Lord has set you free. And satan will not entangle."
Bless the Lord, Hallelujah. (Kenneth E Hagin – Prophetic word)...

Then Dr. Billye Brim continues...

*Uh, you see the first seventh year cycle, there? And it's going to go, the ... years are marked from Rosh Hashanah to Rosh Hashanah, in other words, **September to September**, or whenever Rosh Hashanah comes. So ...head of the year. So ...the first one is September to*

September 2008-2009 and we're going to go over and we find that we are this month September, 2013, ...we are beginning the sixth year of a seven year cycle. It will end, um, on, what is it? September 25th, 2014. And a new cycle will begin and it will be what? It will be the Shemittah year. So the seventh year, the Shemittah year, the Sabbath year is marked with all these signs. The tetrad, the solar eclipses ...they are in that seventh year. Something big is gonna happen. I don't know what. But SOMETHING BIG IS GOING TO HAPPEN...! I Googled Shemittah, and apparently it's no secret. Everybody knows, but here is the thing of it: says Billye Brim... Shemittah= Shmita=Shemittah **Sept. 25, 2014 through Sept. 13, 2015** -- the end of the Shemittah year is on Sept. 13th, or whenever the priest calls the confirmation of the new moon, automatically starting a new seven year cycle. This is why the Blood Moons are so important with the solar eclipse. So we are looking at about Sept 14th, whichever day, counting Israel time which is on the other side of the planet. In other words, there's a time difference. If the priest calls Shemittah at sundown and it's 8pm there, it would be a seven hour difference for those of us in TX, so it would be lunchtime at 1pm. See? Google it! The Shemittah year can't be mistaken. Israel has kept God's moon cycle in perfect order. It was His calendar~ His Timeline; His MOED.

Final Synopsis: the Blood Moons are Passover and Tabernacles 2014 and 2015 with a solar eclipse in the middle making it one of four of the rarest events in history. Three have transpired. The last you will see with great signs and wonders over the earth and in the heavens. It is finally here. That Rapture we have beat the drums over for years and very likely the rebuilding of the Third Temple; we just forgot to count time by God's Calendar, which is by sevens. These blood moons will not happen again for a hundred years or more. The last three dealt with Israel, this one will too. Remember, the generation that sees Israel become a nation will not pass away until Matt 24.

I pray with all my heart you are ready. (Billye Brim).

I began this letter with the statement: --

Differences! What does it matter? Time is the Essence!

Do you get it – NOW? Have you read enough information in the words printed above, by more persons than myself, to realize that we are on a serious countdown to glory – and SOON? Or what will it take to WAKE you out of your slumber and sleep? If you want any more relevant information re; whether or not WE ARE the terminal generation, go to YouTube and watch Brother John Hagee's sermon titled, 'THE RAPTURE', and he will list the 10 things you need to know -- to KNOW! Get a copy of his book 'Four Blood Moons' and study the relevance of its content. But hurry – This book is God's Calendar – and TIME is running out!

Still not convinced? Read – 'The Valentine Prophecies' by David Dellit, and be blessed! But, again, do it NOW, for time is short! This is God's renewed CALL, to His Bride, the Church, to get herself ready, for His return!

We have no right to "innocence". We have been called to GROW UP into all maturity in Christ Jesus. And "ignorance" is never an option for a child of the Living God,

since we live in the most **KNOWLEDGABLE** time in the history of mankind. We were told by the Lord that if we lacked wisdom to ask Him, and He would give to us liberally; and with it we were instructed to get understanding.

We truly have **NO EXCUSES** with which to stand before a **HOLY GOD**, and plead our case. Your name IS – WRITTEN in the Lamb's Book of Life – or – it is NOT!

YOU hold the key to that question. And **ONLY YOU** will answer to God for the final decision and choice **YOU** have made, re: - your **DESTINY** and final **DESTINATION!**

As for me and my house – WE WILL SERVE the LORD! Amen! I pray you choose likewise.

TIME is the ESSENCE! We do not have time to be squabbling over petty things like the DIFFERENCES that divide us, and segregate us as children of God. We have carried on with our stupidities for centuries, and continue to do so, at our peril.

What you believe you should eat? What day is sacred to you? How you believe you should worship? Who you believe you should be seen talking to, or fellowshiping with? What days you go to church, and at what times? **Really ~ who cares? What I care about is that you do fellowship; you do eat; you do worship and you do pray. I want for you to KNOW who Jesus is, and who YOU are in Him. I want for you to be ASSURED of your name being written in the Lamb's Book of Life. I want for you to KNOW that when Jesus appears in the clouds of glory, whether it is next week, next month or next year – YOU ARE READY to meet Him in the clouds – for the Marriage Supper of the Lamb.**

You have no right going through the seven year Tribulation period, of horrendous things that will occur here on earth. That period of time belongs to the rebellious and the unbelievers. You have no right having your name on that list. Your place is to be seated amongst the family members of Heaven, as part of the Bride of Christ, the present day CHURCH! YOU ~ are running out of TIME!

It's TIME – Church – to WAKE UP! It's TIME – to learn to LOVE – in spite of YOUR opinions NOT being the universal “vote” of the people. Heaven will ONLY consist of a UNIFIED BRIDE! And I know that word ‘UNITY’, is foreign to YOU. Yes, UNITY! Just have a serious look around the suburbs and see the ‘DIFFERENCES’.
The Churches with ALL of the DIFFERENT body corporates that head them up!
It is truly scary, to think that we have come this far, and yet are still no closer to a UNIFIED BODY. You can come willingly, or, you can come with a smack to the head. The choice will forever remain yours to make!

The tribulation period will be YOUR BATTLE ground, should you NOT be READY when HE returns for the “gathering” of the church, known as THE RAPTURE!

Till next month, From my house to yours

Blessings of the abundant kind!

Leila Nord.
