*Dear Friends,*

***Time is the Essence!***

***The Five Human Senses!***

***Intimacy!***

*Do you remember? This was the title of my September letter to you. I encouraged you to put aside your differences and embrace **UNITY**, before it is too late to do so; before the Lord returns, to call us all home for that awesome **Marriage Supper of the Lamb**, and find some not yet dressed and ready. During this past few weeks I have been very much in 'wait' and study mode, and on a wonderful journey with my Lord, re: - **End Time Prophecy**.*

*What exactly does it all mean? And, how and when might it apply to our life, in the here and now?*

*I was given some information regarding a book and its author, three years ago this month. My computer was new, and as a learner, I fumbled my way around a search for relevant information, **which may explain the authenticity of this book, and its author**. The source, from which it had come, was somewhat questionable, and so I needed to pray and **'test the spirits'**. My interest waned, and I thought no more about it; until this last two weeks!*

*I was shared a post on line, about ten days ago, and in the middle of the teaching, the person on the video interrupted what she was saying, to play a clip from this same book, by the very same author. I was riveted to my screen. He had my undivided attention. I started to question the Lord. **Why Lord? Why now?** I am sure this is what that book must have been about – the one I didn't bother to follow up on. Three years to the very month, I was now hearing it verbally, being shared on my computer. And so, I set about completing my research of same...**to test the spirit, as was necessary, for the Holy Spirit to give me PEACE, about the information HE was sharing with me, this week.***

1Jn 4:1 **BELOVED, DO not put faith in every spirit, but prove (test) the spirits to discover whether they proceed from God; for many false prophets have gone forth into the world.**

1Jn 4:2 **By this you may know (perceive and recognize) the Spirit of God: every spirit which acknowledges and confesses [the fact] that Jesus Christ (the Messiah) [actually] has become man and has come in the flesh is of God [has God for its source];**

1Jn 4:3 **And every spirit which does not acknowledge and confess that Jesus Christ has come in the flesh [but would annul, destroy, sever, disunite Him] is not of God [does not proceed from Him]. This [nonconfession] is the [spirit] of the **antichrist**, [of] which you heard that it was coming, and now it is already in the world.**

1Jn 4:4 **Little children, you are of God [you belong to Him] and have [already] defeated and overcome them [the agents of the antichrist], because He Who lives in you is greater (mightier) than he who is in the world. Amen!**

**How do you KNOW the difference between the Holy Spirit, of God, and the spirit of the antichrist? 'By the greater and mightier ONE, who lives in you', you recognise HIS presence, and by the intensity of the intimacy of the relationship you share with Him; Jesus Christ and His precious Holy Spirit...THAT INTIMACY! You have to hear Him, feel Him, touch Him, taste Him, and smell Him. Shepherds smell like sheep! If He is your shepherd, He should smell like you, and vice-versa. You should recognise Him WITH ALL of your senses, and reflect Him IN ALL of your senses. **Humans have a multitude of senses. Sight, hearing, taste, smell, and touch, are the five traditionally recognized ones.** So, what do you see in Him? What do you hear Him say? How does He taste to you? What does He smell like? (What do you smell like?) Do you feel Him? How's your sense of touch?**

**Think about that for a minute, and examine that relationship, and just how intimate it is, between you and the Holy Spirit. You need those five senses at work in you, and between you both, to really understand one another. It's no different to your human relationships. Would you settle for anything less in your physical relationships? Unfortunately, all too often, YES! The very reason for so many dysfunctional relationships! However, when you enter into a relationship with someone, where those five senses are experienced and understood, that relationship takes on a whole new meaning.**

**LOVE! That is the secret! Love, gives such clarity to how we perceive the other person, and how we respond to the intimacy we share.** Oh the bliss, of a beautiful, shared, intimate relationship, with our significant other. **How precious they become in our sight. We guard that intimacy with a jealousy that was never felt before. We have found something of value to us, and for us. And there is nothing wrong with jealously guarding your relationship. Just don't ever let your jealousy become possessively controlling; thus smothering the growth of the persons within the relationship. **Believe me, our God is a jealous God!**** And if you have not yet recognised just how jealously He guards His and your relationship, you are going to get caught short, when He calls to collect you. **He is coming – ready or not! If He has called you, yet you still wander in your wilful rebelliousness, you will find yourself walking through the fires of the Tribulation. And that is one journey you do not want to make. You KNOW how crazily scary our life**

has become, in our day to day global existence; **but, ‘you ain’t seen nothing, YET!’ You will DIE for your FAITH – then! It is the price you will pay for your disobedience!**

*Deu 4:23 Take heed to yourselves, lest you forget the covenant of the Lord your God which He made with you, and make for yourselves a graven image in the form of anything which the Lord your God has forbidden you.*

*Deu 4:24 For the Lord your God is a consuming fire, a jealous God.*

**And we are all to find out very soon, just how jealously He guards His and your relationship.** Woe betides anything or anyone who would try to take His place inside your combined personal space! The first of the Ten Commandments told us that: - To have **“NO OTHER GOD BEFORE ME!”** Remember? So whether it is YOU or SOMEONE ELSE – that has taken the rightful place of the Holy Spirit in your life, and your shared relationship, **He is going to deal with whoever it is - SOON, and very SOON!**

*Do you think you need take a few minutes to re-examine the health of your relationship with your God?*

**Give yourself a physical ‘home remedy’ examination and add to that a ‘home remedy’ medication; like a dose of Holy Ghost juice! Or pop a Holy Spirit pill! Whichever one works for you; just do it! You are running out of time.**

**Do the home pregnancy test.** If you are not pregnant with the Holy Spirit, so as to be readily available to give birth to anything He would have you do, or say, or be, or go...**then you are not ready!** You may well need an epidural of enormous proportions to prepare you for the imminent surgery that is necessary, on your hardened and calloused heart, to kick start it – for you to be revived enough, to give and receive LOVE again. **You must do whatever it takes to have those five senses fully functioning, in a well-balanced and two-way interactive and intimate relationship, before you can relax in His arms, and rest in His finished work for you.** Yes, you need to test the spirit, to KNOW that it is His Spirit; and **when you can say you KNOW, then, you can say - you can see Him, hear Him, taste Him, smell Him and touch Him!** There will be no confusion for you at that point. **You will KNOW** without a doubt, **that it is HE**, who says: -

*Jer 31:3 The Lord appeared from of old to me [Israel], saying, Yes, I have loved you with an everlasting love; therefore with loving-kindness have I drawn you and continued My faithfulness to you. [Deut. 7:8.]*

**His LOVE is everlasting! His LOVE is filled with kindness; loving-kindness!** And it is magnetic. You won’t be able to resist His LOVE as He draws you to Himself in His continued faithfulness toward you! Take note of that - **His faithfulness is continual – it never ends.** That is why He faithfully guards it with jealousy. He will not have the devil mess with **His BRIDE**; any more than you should welcome any outside interference, within your physical relationships. They too, should be guarded with a loving, shared spiritual oversight, called jealousy. **Righteous jealousy!**

**So, if your relationship with your Lord is richly rewarding in spiritual intimacy, you should be in a healthy state, as His gloriously attired Bride, ready for His coming to**

carry you over the threshold of Heaven, to attend the most wonderful **Bridal Function ever – The Marriage Supper of the Lamb!** I believe this visitation is soon to be fulfilled. I believe that **Biblical End Time Prophecy** is taking place, right before our eyes, every single day, just as our first scripture stated in 1 John 4:3 where it said -

*This [nonconfession] is the [spirit] of the **antichrist**, [of] which you heard that it was coming, and now it is already in the world.*

*Are you ready for His arrival? Can you see Him in everything you read and observe? Can you hear what it is **He is saying** to you? Do you taste His goodness and ALL that He offers to you, as you COME and prepare to be received by Him? Can you smell the meal He has prepared for you to eat with Him? Can you feel His presence as He walks and talks with you, in the cool of the evenings? Is His presence a touch that gives you ‘goose bumps’ as you soak up the personal wonder, **of the intimacy you share with Him?** Do you enjoy the touch of His arms as He cradles you, when you cry; laugh; mourn? Can you relax in His embrace, pregnant with the Holy Spirit, and anticipating re-birth into the Heavenly Kingdom, never to be separated again? Or, if when separation takes place, due to fleshly misgivings, do you long for, and rush back into - His arms of LOVE and PEACE and REST? Do you exhale; with the **breath of KNOWING**, that this is *where you belong?**

If so, ‘**testing of the spirits**’ should be a simple process for you and, **End Time Prophecy** coming to pass right before your eyes, should fill you with expectant excitement, and a preparedness that resounds – **Well done, thou good and faithful servant! Enter In!**

**Remember – Time is the Essence!** We don’t have much of it left, to get ourselves dressed and ready to greet the Bridegroom in the air, and be transported to our Heavenly banquet. There we will experience the rewards of having our **senses** fine-tuned to enjoy the **spiritual intimacy** we have been perfecting, on our journey through this world with our Lover, Jesus; Lord and King. Oh! What a glorious day that will be! **Intimacy** – finally perfected – and eternity to enjoy it! **Hallelujah!**

**Amen and Amen!**

*Till next month*

*From my house to yours*

**Blessings of the abundant kind!**

*Leila Nord.*
