Dear Friends,

God's Perfect Will and God's Permissive Will!

I want to share some thoughts with you this month that the Lord has confirmed in my spirit to be right for us, on this particular day, at this particular time. (N.B. At the prompting of the Holy Spirit - This is a reminder! A re-visit! Do NOT waste it!)

*I write notes as the Lord gives me wisdom and understanding, and I go back and add to them and edit them, as is necessary, before placing them here for you all to share. I have had some of those notes saved in one of my folders, especially for this occasion. However, on venturing to put this letter together for you by the first day of this month, I was doing just that; adding, editing, and copy and pasting it, from my rough draft, to my formal template, when it **mysteriously vanished**. Along with two other messages I had written and tried to post the two days prior, this became the **third time, in three days**.*

My heart sank. Frustrated? Discouraged? Disappointed? Yes...all three! But the check I got in my spirit, from the Holy Spirit, was the most humbling of all. I was so sorry and saddened, that I had upset my Lord. I had inadvertently cut the cord of intimacy that we usually shared, and was so saddened in my spirit that I straightway repented. Did I know, precisely, what was wrong? No! So I sought the Lord.

*Was what I had written for you, wrong? No! Absolutely not. Was it the right timing? No! **Hence - the "check" in my spirit**, and my **"red flag"** moment. When you walk an intimate road with the Lord, **you just know** when you have hurt Him. He is trying to tell you something, and you are just too busy doing other things, that your spirit of*

discernment, is somewhat lacking in that moment. That's what had happened to me. I had inadvertently stepped outside of "His Perfect Will" for me, and stepped right on into "His Permissive Will" for me. Did I like the end result? No! Had God abandoned me? No! Did He get my undivided attention? Yes! Absolutely!

So what do you do under those circumstances? **Absolutely nothing!** Zero! Zilch! **Silence is sometimes golden;** and, the Lord knows that has not always been my strongest point. But it is a **necessary discipline** we each need learn. **Quiet REST!** Listen!

Now, that is **not a licence** to be lazy and literally "do nothing." However, **it is a licence** to enter into His Rest, and let Him do something - in you and for you; for your benefit, and His glory. When we cut that cord of intimacy with the Holy Spirit, we lose contact with what it is that God wants to convey to us. **His means of communication with us is via the Holy Spirit.** Everything He wants for us do, and say, and be, He confirms with us via the **Holy Spirit; that still small voice.** **If we do not maintain that cord of communication, in spirit and in truth, we totally miss what it is He wants to impart to us, at that particular moment, for that particular purpose, or person.**

Joh 4:24 God is a Spirit (a spiritual Being) and those who worship Him must worship Him in spirit and in truth (reality). (Amp.)

Amen! **When you cease to listen to that still small voice, your spiritual GPS is switched off, and we all know the end result of bad or incorrect advice.** Some dead end street, with no way out, or with little or no way, to **U-TURN!** Has God abandoned you? No! Has he allowed you to walk in error, however large or small? Yes! God isn't into coercion. He never screws your arm behind your back until you say "yes." **We must come willingly and out of a spirit of obedience.** Has God caused us harm? No! But because **we have chosen** to cut the cord of intimacy, **we have wilfully stepped outside of - the PERFECT, and into - the PERMISSIVE.**

His perfect will, has all sorts of promises, from the lips of almighty God, for our good pleasure and wellbeing, and always culminating in glorifying God, through His treasured Son, Jesus Christ, via the promptings and instructions of the Holy Spirit.

His permissive will, permits whatever is required, to get our undivided attention; for our good, and His glory! And many the long mile of "Permissive" road...have I walked. My prideful spirit has robbed me many times of being in the "Perfect," and settling for the misdemeanours of the "Permissive," until at last, I repent, and seek the quiet, and romantic, and beautiful intimacy of just His and my relationship. My "**red flag**" suddenly **turns "green"** again. And oh, how sweet that communion is!

So what did I do, when all of this took place? **I stopped everything.** I didn't even turn a computer on, for more than 36 hours. I took my Bible and my devotionals and studied to show myself approved.

*2Ti 2:15 Study and be eager and do your utmost to **present yourself** to God **approved** (tested by trial), **a workman who has no cause to be ashamed**, correctly analysing and accurately dividing [rightly handling and skilfully teaching] the **Word of Truth**.*

Then, I went outside into the garden, and enjoyed a time with the Lord and my plants, **all the while pondering in my heart** what it was He wanted for me to learn, and then to put into practice. You can't get closer to God than in a garden. He knows! He designed the first one ever -- just for us to walk and talk with Him, in! Selah! (Pause, and calmly think about that!).

Fast forward to this morning, and I was prompted to go back to the book I have been reading and fellowshiping about, since March 19th...**The Valentine Prophecies**...or TVP for short; written by the Holy Spirit and penned by the hand of a faithfully, obedient servant, David Dellit. Oh what a precious book. How blessed I have been, to have been introduced. Thank You Holy Spirit!!!

Why? Because God and God alone, knows what we need, and when we need it. God alone, prepared the heart of David, to receive and deliver this divine instruction, to us His church. **He, God, has invested years, in the preparation of David's spirit, for the execution of His Perfect Will, in His Perfect Timing, in the form of TVP – NOW!** What I had written wasn't wrong. But what **God had written, was BEST for us**, at this particular time, of this particular day; week; month; year!

We are literally, running out of time. We don't have time to run with every whim that takes our fancy – however **RIGHT** it may be. **We need to KNOW that we KNOW** what it is that God is saying, and why He is saying it; and what it is that He wants for us to do about it. And without that uninterrupted cord of intimacy with the Holy Spirit, we can never be sure, of that **assurance**. **I had inadvertently severed that cord! That intimacy is very sensitive by nature, and must be nurtured, by a very sensitive, discerning spirit.** Thank You Jesus, that we mended that cord, right away. And this letter is the result.

It is to share with you the importance of uninterrupted intimacy with Jesus Christ, via the Holy Spirit. And it is to share just a part of TVP and hopefully, you will seek the book out for yourself, and read just what it is that God has in store for you, in these latter days, here on earth, via that book. Does it replace your Bible? **NO! Does it give a fresh “call” - to all of you, who dare to be my lover, says the Lord? Yes!** I highly recommend it to you. **The most beautiful “love letter” to us His church, from the Holy Spirit, via David Dellit.** Thank You Holy Spirit, and thank you David. I leave you with a taste...

“Draw close to me; become one with me. Lift up Messiah as Saviour God. Worship under one worldwide banner, Christ. I am about to come upon the earth with greater and still greater spiritual power, and it rises now. I am calling many into the great harvest – into my work in my kingdom. Wealth and workers, my children, will rise up as never before since the days in my first century church, and it will be as it was, only much bigger, just as the population of the earth is now much bigger. It is time, like never before, to know my Word, to know my Spirit, to know my Messiah, to know your God.

The days for walking are over. The days for running have come. Dedicate your life to the Lord. Devote yourself to me, your God, and be about my calling, my will, my business, and my Word. Run with me into the work prepared for you since before the foundation of the world. Ask me what I would have you do. Listen to me. Do as I say...”

*Be blessed as you pursue your own intimacy, with your own Lord and Saviour, Jesus Christ. **He prepared David to write this book for us; NOW! That is the urgency. He is about to return for His Church and the majority of us are still “undressed”. He is robed ready for the Marriage supper of the Lamb, and we, His bride, are still undressed!** Please do not delay. The Holy Spirit beckons your spirit, to come partake of His bountiful riches of righteousness. Will you heed His call? He is calling you back to your FIRST LOVE of Him – to be ready as **His bride!***

*If your library consisted only, of just these books – the Bible, (His Covenant) – The Valentine Prophecies, (His Call) – and another titled, Four Blood Moons, (His Calendar) by John Hagee; it would be adequately complete, in this present age. **We are living in very exciting “last days” and it is in our own best interest, to be watching, looking and listening to what it is the Holy Spirit is saying to us...RIGHT NOW!***

Luke 21:28 Now when these things begin to occur, look up and lift up your heads, because your redemption (deliverance) is drawing near. (Amp).

Till next month

From my house to yours

Blessings of the abundant kind!

Leila Nord.
