

**Birth; Death; Resurrection; Ascension!**

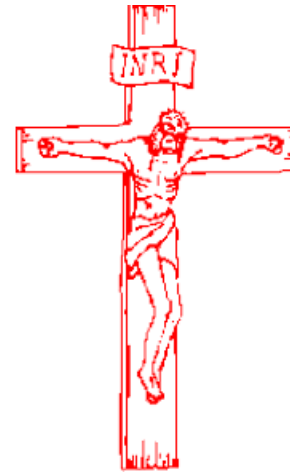

**O, Thou who camest from above  
My Living-Hope, My Cup-of-Love**

**Fill me till I overflow**

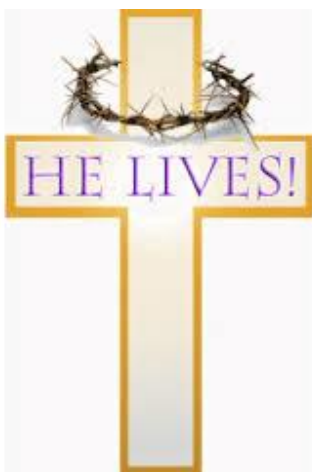

**So whilst I live - 'tis Thee I show.**

**O, Thou who shed Thy blood for me  
Upon that Cross on Calvary.**

**Help me to never e'er forget**

**Those words "It's Finished" – Live on yet!**

**O, Thou who rose on that third Day  
Showed me how death could NOT e'en slay.**

**How satan's play was torn apart**

**Shows me,**

**I need Thee, in my Heart!**

**O, Thou whom back to Heaven went  
And then Thy Holy Spirit sent.**

**To "visit" with me on this Earth  
Shows me, Thy merit - of my Worth!**

**O, Thou who overcame the world  
I Praise Thy Name with flags unfurled.**

**I humbly kneel before Thy Throne...**

**And run my race – for Thee alone!**

**Amen!**

**Hallelujah!**
