

What is Life?

What is life, but the blink of an eye?
A laugh, a tear, and an “any-way” sigh;
‘Cause it’s up to you and it’s up to “I”
To be prepared, for the sweet bye and bye!

What is life, but a melody bright?
Resisting the wrong, to do only the right;
No more “grave” darkness, but now Living-Light;
God’s awakening gift – unfathomable insight.

What is life, but an art-work of Love?
An infusion of colours, steeped in Heaven above;
Then on the heart’s palette, comes Peace like a dove
As we Rest, in the arms, of the Heaven’s Beloved.
