***August - 2014***

*Dear Friends,*

## ***Revival! Jesus! What a Wonderful Name!***

*This month I would like to share with you a very precious **Holy Spirit Moment** I experienced just ten days ago. Be blessed, as I have been; to know that God is very much alive and well among all of those who **share the intimacy only “lovers” understand!***

**Confirmation from God; via the Holy Spirit, that I am not mistaken** and neither is David Dellit, nor those who heed HIS renewed CALL, via **“The Valentine Prophecies,”**... (And other prophetic writings too numerous to mention here!) Amen!

*I received two messages from David last night to say he had two interviews on USA radio, at 01.05 am and again at 05.30 am today, 22<sup>nd</sup> July, 2014. So, I promised to cover him in prayer, as he spent time doing as the Lord has commanded him to do; to get the prophecies out to the world at large.*

*I woke early, to find a new message saying, that the Pastors he is fellowshiping with in Chicago, may be the very persons the Lord will use to begin this new **BOOM**, which he feels in his spirit. Do you know how difficult it is to concentrate when you have only been asleep five hours, and you are only awake for a bathroom visit? Normally I would crawl back under the covers and go right on back to sleep. However, as I sat on the side of my bed, the Lord said, **“Chicago! Chicago! Remember”?***

***Yes Lord, I do remember.*** It had been one of twelve books my son and I had worked through, for his two junior years of home schooling, about 20 years ago. ***The story of D L Moody...*** Wow! Right now, I was not tired at all. I was wide awake and contemplating what it was the Lord wanted for me to know. Yes, it didn't take much

prompting, as I recalled Mr Moody's life story, and how profound the effect had been on Dale's and my life, at the time he read it out loud to me. I remember well the tears we shed, as we shared his life experiences, via the pages of that wonderful little book.

**Dwight L Moody; Chicago – Those words just kept going round and round in my head.** So, I finally crawled back under the covers, on this cold winter's morning; but I certainly wasn't tired anymore! I only stayed as a matter of warmth and comfort, and a time of contemplation. So many things were going through my mind that it was impossible for me to concentrate on the sleep -- I had envisaged. The Lord had something He wanted to share with me, so I figured I had better get right on up, and greet the day.

I love You Lord! I especially love the way You never leave too much time between questions and answers. I made my coffee, got my Bible and my devotionals, and set about getting my fresh dose of Godly instruction for today. **Then I set too and refreshed my memory, on the D.L. Moody story, and why Chicago, Chicago, was the word most dominant, in my mind.** He had not always lived in Chicago, but whenever we think of him, **Chicago is the place we connect him to. Why??**

On spending time meditating with the Lord, I realized that **Dwight L Moody was viewed as the most unlikely and unacceptable candidate, for preaching the Gospel of Jesus Christ,** for a number of reasons. **He was young, immature, illiterate and uneducated; and unemployable.** His mind was described as "spiritually darker" than any other person ever before in the Sunday school class. However, though his formative years were marred by all sorts of set-backs, his Mother's insistence on sending him to Church had a **defining moment yet to come. Two things happened that changed his life:** an uncle gave him a start as a shoe salesman; and a dedicated Christian Sunday School teacher persisted in offering him the opportunity of salvation, by introducing him to Jesus. **From that point, Dwight developed a "passion" for saving souls; which led him to Chicago!**

Now, we could go on talking about D L Moody's lifetime achievements, but that is not the purpose of this writing. What he achieved for the glory of the Kingdom of God is already etched in the Lamb's Book of Life. **What the Lord was reminding me this morning,** is that, though D L Moody began his journey with the Lord in Boston, **he really established some "stuff of significance" – in Chicago!**

It would be good for us to remember, that after paving the streets on foot, in search of children to teach the Word to, **he successfully had 650 students attending school every day (on average), and 60 volunteer teachers from various churches (unity), in just one year.** I believe the passion he had with and for the Holy Spirit, and his daily hunger and thirsting after righteousness, **had its roots firmly planted in Chicago.** Now, he did not stay in Chicago, but he sure spent some **quality time** there (years), and left a **lasting legacy in eternity;** the results of which

await us in Heaven, along with Mr Moody, himself, **and that legacy still lives on, in the here and now, in Chicago! Hallelujah! And - around the world!**

Now, I said all that, to say this: -- **God revisited me, to Dwight L Moody and Chicago, this morning, to remind me that one of his most amazing revivals, and one of His most successful deliverers of His Word, first established in Chicago! Chicago has a special place in the Lord's heart. It did then. It still does now. If God can ignite the fire of the Holy Spirit in Chicago in the nineteenth century, He can ignite it again, right there in Chicago, today in 2014.** His story brings to mind these verses: --

**1Co 1:27 [No] for God selected (deliberately chose) what in the world is foolish to put the wise to shame, and what the world calls weak to put the strong to shame.**

**1Co 3:6 I planted, Apollos watered, but God [all the while] was making it grow and [He] gave the increase.**

**Do you know anyone who grows a church of 650 members, plus 60 leaders in one year? One has to be truly filled to overflowing with the Holy Spirit, for HIM to give that increase.** So, there is no doubt at all, that **GOD was PLEASED with Mr Moody. He did the sowing; teachers (of various denominations in a true spirit of Holy Ghost unity), did the watering; and the Holy Spirit gave the increase.** That does not happen very often in churches we are familiar with here in Australia. And when it does happen, that you find a large-in-numbers church, it has not happened in one year, and nor do you find the **“unity of spirit”** that **obviously permeated that place, in Chicago.** You can't have 60 teachers from all denominations; all come and work together like that, and have the Lord in the house, and so bless it, **unless the Holy Spirit unites them all, in a spirit of “UNITY”!** Amen!

Hence, my point being; **David's writing of The Valentine Prophecies; a labour of love with the Holy Spirit, has been given by divine instruction, written in obedience, and distributed globally by divine, obedient, instruction.** I love this saying: -- **If you give God your best; HE will do the rest!** **David did that; he gave God his best! And God is doing the rest. And I am sure He is seriously considering starting in Chicago, (but not confined to Chicago). He calls for one, Holy Spirit filled “return” to His way of thinking, before it is too late. David gave his best. God will do the REST!**

He (Jesus) only asks for willing yielded spirits. When He (Jesus) gets one person, to yield ALL of himself, to Jesus, **the sky is the literal limit. Heaven is where it ends. Dwight L Moody had nothing and was nothing, in the eyes of man, but he was a giant in the eyes of God, simply because he gave ALL he had, to JESUS! God did the rest. David Dellit likewise, though his beginnings may have been on a**

grander scale than Mr Moody's, was none-the-less an ordinary man, who simply gave ALL he had, in a spirit of willing, yielded obedience. He did his best. Now watch, as God does the REST!

*Chicago! Hallelujah! I believe the Lord looks very favourably on His servants found there, and will do with and through them, and with and through David Dellit, just as he did through Dwight L Moody, and numerous other men and women of intimate, and faithful obedience; in places dotted all around the world! Praise the Lord! God's instructions are always 'concise and comprehensive, but never confined'- to any one place in particular. However, every SEED has a STARTING place...and this one was and is, in CHICAGO! Amen!*

*Chicago! Chicago! Chicago! Hallelujah! Praise the Lord! And yes, just like the Great Chicago Fire, that destroyed everything physical that Mr Moody and his church members owned, in 1871 – there will come “other” Great Chicago Fires. One will burn with the flame of the Holy Spirit as it ignites the passion, within the children who “hear” what the Lord is saying in His Word, and in His Valentine Prophecies; the gentle little reminder, that we haven't read and heeded His Word, as He has asked us to do. The other, will be the fire that destroys the world on “that day”, when He sets up His Kingdom, forever. Amen! Now those are two fires I welcome with baited breath. To never be separated ever again from Jesus, and our family of believers, will be one awesome day.*

*As I finished my reading this morning the Lord took me to 2 Peter 1: 19-21, which reads like this: --*

*2Pe 1:19 And we have the prophetic word [made] firmer still. You will do well to pay close attention to it as to a lamp shining in a dismal (squalid and dark) place, until the day breaks through [the gloom] and the Morning Star rises (comes into being) in your hearts.*

*2Pe 1:20 [Yet] first [you must] understand this, that no prophecy of Scripture is [a matter] of any personal or private or special interpretation (loosening, solving).*

*2Pe 1:21 For no prophecy ever originated because some man willed it [to do so— it never came by human impulse], but men spoke from God who were borne along (moved and impelled) by the Holy Spirit.*

*God has impressed upon my Spirit right from the very day 'He' introduced me to The Valentine Prophecies, that - this is His doing. These are the words He wants spoken, at this particular point in time. And there is no reason to dispute His wisdom, and His timing, and His urgency. He has revealed Himself to David Dellit. He has confirmed to me (and to many others), just as He did in the old Biblical days, when He was instructing the first original copy, of the Words of His Covenant; our Holy Bible!*

*Nothing has changed from His perspective. He gave us His covenant. Most of us have chosen to ignore it, or alter it, to try to suit ourselves, in some manner or form. Hence, His little reminder; The Valentine Prophecies! Let's not spend the little while we have left, arguing about the authenticity of same. Let us embrace His grace and mercy toward us, and do as He instructs for once. It's called OBEDIENCE, the only thing God rewards! Our eternity depends on it! It's time to crucify our flesh and cultivate our spirit! Time is the essence! Eternity looms large and near, and for the greater majority, we are not ready! **Heed HIS CALL!** It may well save your life – literally! Forever! Heaven is closer than you think! Amen!*

*I leave you to ponder the possibility of the consequences of your wilful disobedience; if you choose to ignore His Covenant, (Our Bible); His Calendar, ('Four Blood Moons' by John Hagee); and His Call, (renewed in 'TVP'). You just may find yourself fighting against God, as verse 39 below states. *Not the outcome I would want, and I sincerely pray it is not the outcome you choose either.**

*Act 5:38 Now in the present case let me say to you, stand off (withdraw) from these men and let them alone. For if this doctrine or purpose or undertaking or movement is of human origin, it will fail (be overthrown and come to nothing); Act 5:39 But if it is of God, you will not be able to stop or overthrow or destroy them; you might even be found fighting against God!*

*Revival! It is not confined to any one place. It is happening all round the world as we speak. I received another testimony just today, 1<sup>st</sup> August, and have circulated it re: A week-long Revival just ending today in Kentucky. Jesus...what a wonderful Name! Just CALL out to HIM. He is waiting for YOU! He has YOUR home prepared and waiting, and the best Marriage Supper you will ever attend! He loves you, and so do I. Praying...that YOU heed HIS CALL! His precious Word is filled to overflowing with instructions from prophets of old, and there are numerous books readily available today, from prophets anew. Amen and Amen!*

*Till next month*

*From my house to yours*

*Blessings of the abundant kind!*

*Leila Nord.*
