

Sowing – Reaping – Harvest!

*When we believe that God rewards,
When we do cheerfully give;
It brings us PEACE just KNOWING that
We're RICH in how we live.*

*And for the cheerful giver
Through the LOVE that God does show;
We'll REAP and HARVEST, bount-i-fully
As Godly – we do SOW!*

*And it matters not if we are 'royal'
Or 'lowly' – on this earth;
For God does NOT distinguish us
From whom we had our birth.*

*So all of us are 'equal'
When it comes – 'right from the
heart';
And we don't withhold, what is
our God's
But cheerfully with it – part!*

*It doesn't matter how it's used
Just give, NO MORE, NO LESS;
Than what your heart's decided on
Believe that He will bless.*

And then with prayer and thanks, from lips

*Our hearts will overflow;
With HARVESTS full – and
ripe, and blessed;
“Cause we learnt HOW to
SOW!”*
